Share my life, take me for what I am 'Cause I'll never change all my colors for you Take my love, I'll never ask for too much Just all that you are and everything that you do

I don't really need to look very much further
I don't want to have to go where you don't follow
I won't hold it back again, this passion inside
I can't run from myself, there's nowhere to hide

Don't make me close one more door
I don't wanna hurt anymore
Stay in my arms if you dare
Or must I imagine you there
Don't walk away from me
I have nothing, nothing, nothing
If I don't have you, you, you, you, you

You see through, right to the heart of me You break down my walls with the strength of your love I never knew love like I've known it with you Will a memory survive, one I can hold on to

I don't really need to look very much further
I don't want to have to go where you don't follow
I won't hold it back again, this passion inside
I can't run from myself, there's nowhere to hide
Your love I'll remember forever

Oh, don't make me close one more door I don't wanna hurt anymore Stay in my arms if you dare Or must I imagine you there Don't walk away from me I have nothing, nothing

Don't make me close one more door I don't wanna hurt anymore Stay in my arms if you dare Or must I imagine you there Don't walk away from me, no Don't walk away from me

Don't you dare walk away from me I have nothing, nothing, nothing If I don't have you, you If I don't have you, oh you
