

# I Learned from the Best

Whitney Houston

Did you really think that  
I would really take you back  
Let you back in my heart  
One more time? Oh, no no

Did you think I'd still care  
That there'd be more feeling there?  
Did you think you could walk back  
In my life? Oh

So you found you missed the love you threw away  
Baby, but you found it out too late, too late

And so you know the way it feels to cry  
The way that I cried when you broke my world in two  
And baby I learned the way to break a heart  
I learned from the best, I learned from you  
Oh baby, now, I learned from you

I remember cold nights  
Tears I thought would never dry  
How you shattered my world  
With your goodbye, your goodbye, baby

Would've sold my soul then  
Just to have you back again  
Now you are the last thing  
On my mind

Now you say you're sorry and you've changed your ways  
Sorry but you changed your ways too late

And so you know the way it feels to cry  
The way that I cried when you broke my world in two  
And baby I learned the way to break a heart  
I learned from the best, I learned from you  
Oh baby, now, I learned from you

So when all you've got are sleepless night  
When those tears are clouding up your eyes  
Just remember it was you  
Who said goodbye, who said goodbye

And so you know the way it feels to cry  
The way that I cried when you broke my world in two  
And baby I learned the way to break a heart  
I learned from the best, I learned from you  
Learned the way to break a heart  
I learned from the best, I learned from you  
I learned from the best, I learned from you
