

(Was I) In Your Dreams

Wilco

Was I in your dreams, I'd like to know.
Did I touch your hand and did it feel like snow?
Try to understand while I've got you on the phone.
Did I hurt you like I know I can?
Tell me why you'd ever wanna leave your lovin' man.
Try to understand, please try to understand.
Was I in your dreams, was I in your dreams?
This dreamer died when his dreamed died too.
But I don't really mind if I dream about you..
I can't say what any of that means.
Oh, was I in your dreams, late last night.
Did you hold pillow, did you squeeze me tight?
I just wanna make everything all right.
Was I in your dreams, was I in your dreams, was I?
