Wiley

Aha

Maniac production
Brandon Lee entertainment
Eskibeat Recordings
Yeah?
Aye, listen
[?] up, Maniac
See you soon

I was like you rudeboy
I had nowhere to live
Now I'm on an M6, waiting in my bentley
Shut up
Knew everybody thought I would get stuck up
But what they didn't know that I was a full time rapper
Got the blue [?], that's [?]
[?]
Recording box changes the size of the buffer
Wait, wait, wait, see I got a few cold bars
Never would you ever see me in a [?]
Never, no where, not ever
Could you ever be a better MC? Not ever
Now the aim of the game is get more cheddar
You can't control me, I control the weather
I'm a weatherman in a leather bomber with fur
For the colour, put it over a nice, clean, sweater
E3 trend setter, yeah you was nang before
Now Eskiboy's better

It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down
On the beats, keep wishing
It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down

I was like you rudeboy
I had no place to go
Now I got three yards, and a free yard
For the next three months, I'll be in a free yard
I'm a free man, regular free bank cards
I'm rich, second name Cowie
Hello
Came from a Ghetto, but my name ain't Ghetts
True, I'm a boss, I can tell a dog fetch
That's wrong though, so I'll be cool like Wretch
I've got no point to prove
MCs, I'm the top one brother
I fire bullets out like a shotgun lover
You're gonna see me pose in new front cover
Gotta show love for the magazine lover
Way ahead of them man, I've been to the motherland
Went to Miami and I saw Danny Glover

Hail off another black brother

It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down

On the beats, keep wishing
It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down

It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down
On the beats, keep wishing
It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down

I was like you rudeboy
I didn't think I would live to hear
I don't drive a whip if it ain't six years
In six years, I will be a sick bredder
With sick money in the back
Be in my 36th year
I see a clique back there
Trying to get into the air
You wanna fly? You ain't ready for the air
I'm a genius, wizard
Avalanche blizzard
And next year, I'm gonna [?] to the clear
I ain't come here to bread
I don't care about you or your team
No, I ain't helping you or your dream
Some say life ain't what it seems
You don't achieve goals like me
I've got a different talent
Out with the old, in with the new balance
If they ain't meant to be here, then ban him
I'm on 1Xtra like Darren

It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down
On the beats, keep wishing
It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down

It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission
Listen, Kylea and Brandon have got it locked down
On the beats, keep wishing
It's like you don't watch television
Get a better vision
I'm a real money man, getting money on the mission

Listen, Kylea and Brandon have got it locked down
