

Need You

Wilkinson

I get these dreams every night
Where I'm running, falling deeper
I don't know where I am but I
Feel your power, I still need ya
And in the coldness of the night
It's the only chance to meet ya
And every time I'm saved
I'm back to bathing in your love

What am I gonna do? I need you
What am I gonna do? I need you
What am I gonna do? I need you
I need you, I need you

Just give me a way for me to hold you
Give me the way, can you show me how?
Give me the way, I can take you
Give me the way (cause I can't stop, I can't stop)

I'm back to bathing in your love

In this dream every night
I'm always running, running towards ya
It's like the only way to find
Escape from the pain, I miss ya
But when I wake alone, I find
I'm back to heartache, but come night time
I'm saved
I'm back to bathing in your love
