

# Brooklyn Breezes

Will Downing

Stepping Deep Into The Night, From The Promenade We See Big City Lights

Watch The River That Flows, No Matter Where You Go

You Feel The Brooklyn Breezes Flow In The Night

Verse 2

Hear The Sweet Music That Plays, Our Bodies Bend And Sway

As The Brooklyn Breezes Flow In The Night

I Like It (12x)

Verse 3

Now Milan has style, And I Might Stay There For A While

But I Feel Those Breezes, Brooklyn Breezes, Brooklyn Breezes Flow In My Mind (Baby)

And I Tried (4x) To Get Away
