

Everlasting Love

Will Downing

When I feel you dreaming I think of sunsets how high my heart gets

I want to give you an everlasting love

I want to fill your life with a satisfying love

All you need is an everlasting love

All you want is an everlasting love

An everlasting love

Alright

Some are breathing

Moonlight teasing invasion persuasion

I want to give you, yes I do, an everlasting love

I want to fill your life with a satisfying love

All you really really need is an everlasting love

All you want is you want an everlasting love

Everlasting love

Forever ever and ever forever and ever and ever lasting love

Each time you pass pass me by it's slowly fading

I need you more and more everyday
