

I Can't Help It

Will Downing

Looking in my mirror
Took me by surprise
I can't help but see you
Running off to through my mind
Helpless like a baby
Sensual disguise
I can't help but love you, baby
It gets better all the time
I can't help it if I wanted to
Wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no
I can't help it if I wanted to
I wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no, oh, no, no
Love to run my fingers
Softly as you sigh
Love came and possessed you
Bringin' sparkles to your eyes
Like a trip to heaven, heaven, heaven
Heaven is a price
I'm so glad, I found you
You're an angel in the sky
I can't help it if I wanted to
Wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no
I can't help it if I wanted to
I wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no, oh
I can't help it, no
No, I can't, I can't help it if I wanted to
I wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no
I can't help it if I wanted to
I wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no
I can't help it if I wanted to
I wouldn't help it, baby, if I could
I can't help it if I wanted to
I can't help it, no
