

Meet Me on the Moon

Will Downing

Yes, meet me on the moon soon as you can
In the middle of the sky you and I riding on a cloud soft as you,
please
We can sail upon a breeze to the everlasting moment of love yes
oh yes
Oh I feel your symphony so strong and so pure
And it goes on to me and I am so sure that we were meant to be
sharing this love
We share oh yeah
Meet me on the moon please please don't be late
You know how I hate to wait cause you're so great
Fly into my love that's what I need
So my spirit can run free to the ever everlasting moment of love
Oh I feel your symphony so strong and so pure and it goes on to me
And I am so sure that we were meant to be sharing this love
We share

You be my love and I'll be yours too
As long as the sun warms the heavens

Tell me you'll be my love and here's what we'll do
We'll sky write our love through the heavens
The echoes of love will sing through our lives forever forever
and ever

Oh I feel your symphony so strong and so pure it echoes on through me
And I am so sure that we were meant to be
Sharing this love we share
Meet me why don't you meet me on meet me on the moon
Meet me meet me yes just you and me meet me
Meet me meet me meet me I can't wait to see you baby oh
Meet me on meet me on the moon the moon the moon so we can make
