

# Gettin' Dumb

will.i.am

I've been working every day  
I'll be waiting for turn of play.  
Call up my people  
Lets play to town  
Bring the fire  
Lets burn it down.

I've been serious all the time  
And tonight I lose my mind  
I wanna go out and have some fun  
I've been working all week but right now  
Getting dumb.

Yeah we getting dumb  
Get-Getting dumb  
Yeah  
We go out, get dumb  
We drink, get dumb  
Turn it up, get dumb  
We all getting dumb. (3x)

Watch out for the dumb dumb, watch out

Ey!

Turn it up, burn it up  
All my drinkers, just sip it up  
I see nothing in your cup  
Come on baby, fill it up  
Lets fill it up, lets get it up  
Got the purple heated up ...  
Where's my table; set it up  
I got my crew, we rolling up  
You know the name, no shame to mind  
I got that, mhm hm, all the time  
I can do it anytime  
Me and my crew on the grind  
Girl you know what time it is  
So keep it rocking, marvelous  
We stay on top like finalists  
Burn up the floor like oxygen
