

# I Will Take Care Of You

William Bell

When all the years , have come and gone  
And laid you low, you should know  
When you think you're left, out on your own  
I will be there

I never gave, you fancy clothes  
No diamond rings, or the finer things  
But when you feel, all alone  
Don't you despair

I will take care of you  
Oh yes, I will  
I will take care of you

When the doors are closed and your dreams have flown  
When you're the last one left and all of your friends are gone  
I will have you carry on, don't you despair

At the end of the day, in the darkest night  
Just keep the faith, don't lose the light  
I will be there to make things right  
I will be there

I will take care of you  
Oh yes, I will  
I will take care of you

When all of your friends are gone  
I will take care of you  
I will take care of you
