

## Can't Help Falling in Love

William Control

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay?  
Would it be a sin?  
If I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes  
Some things are meant to be

Take my hand, take my whole life too  
For I can't help falling in love with you

Like a river flows surely to the sea  
Darling so it goes  
Some things are meant to be

Take my hand, take my whole life too  
For I can't help falling in love with you  
For I can't help falling in love with you
