

Phases And Stages

Willie Nelson

After carefully considerin' the whole situation
I stand with my back to the wall
Walkin' is better than runnin' away
And crawlin' ain't no good at all

And if guilty's the question
Truth is the answer
I've been lyin' to me all alone
There ain't nothin' worth savin'
Except one another
And before you'll wake up
I'll be gone
Cause after carefully considerin' the whole situation
I stand with my back to the wall
Walkin' is better than runnin' away
And crawlin' ain't no good at all

After carefully considerin' the whole situation
I stand with my back to the wall
Walkin' is better than runnin' away
And crawlin' ain't no good at all
And crawlin' ain't no good at all
