

# You Look Like The Devil

Willie Nelson

You look like the Devil in the morning  
'Cause you've been out working through the night  
Holding hands and kissing everybody  
I'm glad to say that you can't blow my mind

You look like the Devil when you're crying  
I'm so glad you feel so strong that way  
You got a great big smile for everybody  
And I'm so glad I met you yesterday

You look like the Devil in the morning  
'Cause you've been out working through the night  
Holding hands and kissing everybody  
I'm so glad to say that you can't blow my mind

You look like the Devil when you're crying  
And I'm so glad you feel so strong that way  
You got a great big smile for everybody  
And I'm so glad that I met you yesterday  
I'm so glad I met you yesterday
