

# Easy Come Easy Go

Winger

If you start to feel like there's no time to waste  
Baby, try to let go - there's  
Nothing that strong - can't break your heart  
Easy Come Easy Go

And the only only only way you find it...

Is if you're not digging too deep  
Though it's easier said than done  
You've got to feel it in your blood  
Play the game like you've already won

And you only only only own it when you say...

Easy Come Easy Go  
This won't break my heart don't you know  
Sometimes high, sometimes low  
Easy Come Easy Go

You fell in a trap that won't let you win  
You try again and again  
You let the heat burn your feet  
Baby try to understand that you

Only only only own it when you say...

So if you start to feel like there's no time to waste  
Baby try to let go - there's  
Nothing that strong - can't break your heart  
Sometimes high, sometimes low

And you only only only own it when you say...
