Stampede

In times of peril such as these Pleased as punch but not so nimble Taking chances that you're given

Take the Trabant to Brabant Find security In Western arms, in Western arms Find security

The non-believers can't agree Hands are tied, we can't discuss it Swapping pot-pourri for concrete

Take the glitter to Gorky Find security In Western arms, in Western arms Find security

Insiders think they've cracked the nut Punch to please and not to crumble Faking answers you are living

Empty larder history Find security In Western arms, in Western arms Find security

The double agent's single cell Splits the endgame party symbol Forked, endorsed, but not forgiven

Delegations with stones Find security Buy Western charms, buy Western charms With security
