

Deep Within

Within Temptation

Is there a place deep within?
A place where you hide your darkest sins

There's a strange kind of ambiance,
it's surrounding you
as a songstress you lure me,
towards the truth

Candles die down as you leave the room
In my heart you leave no gloom
As you lure me I know the truth
You're a leprechaun, I see you through.

Is there a place deep within?

There's a strange kind of ambiance,

as a songstress you lure me,
