Somewhere

Within Temptation

Lost in the darkness, hoping for a sign Instead there is only silence can't you hear my screams? Never stop hoping, need to know where you are But one thing is for sure you're always in my heart

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul

Lost in the darkness, try to find your way home I want to embrace you and never let you go Almost hope you're in heaven so no one can hurt your soul Living in agony 'cause I just do not know where you are

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul

Wherever you are, I won't stop searching Whatever it takes, I need to know

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul
