

# The Magic Goes On

Wizard

Like an earthquake from behind  
A storm from the front  
The drums are pounding  
The guitar burns

Four broken chains  
Lay on the ground  
Like demons from hell  
We play our sound

Now it's time for wizard  
We will conquer every stage  
Now it's time for wizard  
Follow our way if you dare

The magic goes on the wizard so strong  
Defenders of metal yeah we will come  
Four thunder warriors who will fight who'll die  
For the true sound we play and prefer

We will thank you all our friends  
For the trust you gave to us  
The great time and your fire

As long as we have the power  
We will never stop  
Let's raise our arms for our dream

Now it's time for wizard  
We will conquer every stage  
Now it's time for wizard  
Follow our way if you dare

The magic goes on the wizard so strong  
Defenders of metal yeah we will come  
Four thunder warriors who will fight who'll die  
For the true sound we play and prefer

Four thunder warriors  
Fight for true metal  
In the sign of the wizard  
Blessed by the gods

Four thunder warriors  
Let the magic go on  
Never kneel  
Forever strong
