

A Million Lovesongs

Wolfsheim

Wait my dear... no jealousies
Silly thing... you can't know how I feel

Come take my hand I will show you the flame
Burning secrets... burning wishes... your name

Don't be insecure... don't be afraid... I'll hold you tight
Oh, virgin weakness... infinite sweetness... that's you

So let's dance... all alone

I want to kiss you... want to feel you... deep!
Your silky skin... a tender touch...
a sigh that promises so much
I want to kiss you... want to feel you... deep!

And so we dance

A million miles from here I stand alone and shout
Not any thoughts, not any doubts

I look around and nothing I can see is true
This is anything but new

I feel a silent rain pour down impassively
A solemn nightfall kills the light that longs to be...

A needless pain... you bear in vain...
Unless you can see there is nothing to sustain

I feel a silent rain pour down on me...
A million miles from here I stand alone...
I look around and everything's untrue
Anything but...

A needless pain... you bear in vain...
Unless you can see there is nothing to sustain

Nothing ever spoils... my joy of loving you...
Of looking in your eyes... I couldn't be that blind
That I won't crave for you

And we still dance... all alone

I want to kiss you... want to feel you... want to drown in your desire
Your silky skin... a tender touch...
A sigh that promises so much
I want to kiss you... want to feel you... so deep!
Come take my hand, I will show you the flame
Burning secrets... burning wishes... your name

Don't be insecure... don't be afraid... I'll hold you tight
Oh, virgin weakness... infinite sweetness... that's you

Your silky skin... a tender touch...
A sigh that promises so much

I want to kiss you... want to feel you... so deep!
