

## Back Stabber Mission Aborted

Wormrot

Consume by this circle of  
Narrow minded f\*\*king assholes.  
Antipathy strikes me to build up the rage,  
Obliteration at stake. Before you betary us,  
We have already stabbed you dead.  
Think before f\*\*k with us,  
We'll blast you in your f\*\*king head  
Trust, disappearing.  
You are the occurence  
Of a change for the very worse.
