

## Butt Krieg Is Showing

Wormrot

Get a f\*\*king proper pant,  
Lurking shadow start to show.  
Caught up with these evil grim,  
Looking at your drooping pants,  
Darkness starts to f\*\*king grow,  
Blasphemous endless glow,  
Goddamn it pull them up,  
I don't need to see all of this.  
Why the f\*\*k  
Aren't you pulling it up,  
Exposing more than enough,  
is your ass f\*\*king numb?  
Leaving the whole humanity  
to f\*\*king barf  
Hypnotizing  
You self claimed  
To be the most evil  
Worshipping the Satan  
And all that retarded believes,  
Well I got a f\*\*king news for you,  
The only thing that is showing  
Is your crack and  
Pink boxes briefs.  
Sucked in and consume us all,  
Feeding until its f\*\*king strong,  
Gorging on the human race  
And in the end you pull it up  
But with few seconds  
The immortal butt krieg is showing  
Again and again, oh not again!
