Don't open no mail, I don't trust fans  
Just bread, and we eat from the mess hall  
And you can call Brooke Shields, tell her post bail  
Cuz I murdered niggas on the Ghost album  
It was charged for arson cuz I roast rappers  
On a broke ass stove with no matches  
Wearin old ass clothes on no mattress  
Now we hit Reggie Jacksons with no practice  
And 'Perb did movies, he ain't no actor  
I'm a Far Rock gangsta, I ain't no rapper
