

Ain't That Hungry Yet

Wumpscut

In a cave
Bodies that pave
One way out
This is our chance

Amen

I ain't willin' at all
I ain't willin' to crawl
I ain't willin' at all
Ain't that hungry yet
I ain't willin' to crawl
Ain't that hungry yet
I ain't willin' at all

Amen

I ain't willin' at all
Ain't that hungry yet
I ain't willin' to crawl
Ain't that hungry yet
I ain't willin' at all
I ain't willin' to crawl

Amen

In the name
Of my own flesh
I ain't willin' to eat my own flesh
I ain't willin' to eat

I ain't willin' at all
Ain't that hungry yet
I ain't willin' to crawl
Ain't that hungry yet
I ain't willin' at all
I ain't willin' to crawl
