

Boneshaker Baybee

Wumpscut

Sitting here and waiting for the boneshaker babe
Curtain falls and strutting comes the boneshaker babe
Thrilling and disturbing is the boneshaker babe
Dancing on the pole for me, the boneshaker babe
Dancing on the pole for me, the boneshaker babe

Boneshake, boneshake, yeah...

Here we go, she's coming up to me
Oh, my god, she's dancing on decree
Here we go, she's coming up to me, to my safe place
Oh, my god, she's dancing on decree, right in my face

Currency is body against buck
After that, I'm sure I have to fuck

Baybee, shake your bones...

She gets paid for being pretty, boneshaker baybee
Gets it all for nitty-gritty, boneshaker baybee
Wants my body, wants my money, boneshaker baybee
Wants it now and wants my honey, boneshaker baybee

She gets paid for being pretty, boneshaker baybee
Gets it all for nitty-gritty, boneshaker baybee
Wants my body, wants my money, boneshaker baybee
Wants it now and wants my honey, boneshaker baybee

Do I like this party going on?

Baybee, shake your bones, do it...

Baybee, shake your bones...
Baybee, shake your bones, do it...
Do it...
