

## Jiddisch Is A Zwillink

Wumpscut

No way to get out of here  
One way to a strange career  
I'm the little errand boy  
Treated like a shabby toy  
One day we'll be free  
Maybe only me  
When the winds of time  
Show them all the crime

This is for all the dead  
May the all be save  
This is for all the dead

Where do you go from here?
