

Rudolf Wolzek

Wumpscut

If you ask me where they are
I can tell you they're not far
I sent them to Wolzek
They all are in Wolzek
Where else than Wolzek
I swear it's Wolzek
Is it my guilt?

Wolzek

Is it my guilt?
Prove up to the hilt?

Wolzek

And if you ask them
You got the proof
They like to
Stand aloof

They like
Wolzek
They like

They love
Wolzek

A camp without a fear
A camp that's close and near
My camp

They love
Wolzek

I'm sure they love
Wolzek

A camp without a fear
A camp that's close and near
You're asking the wrong man
I'm not part of the clan

I am Wolzek
