

Darlin' Take Care of Yourself

Wynette Tammy

Oh I want you to know not a day passes by
I don't find myself thinkin' for a few
I wonder and worry how you're getting by
I know for you're goin' through

Friends say you're livin' like there's no tomorrow
They say you're insurely with him
Well I know you've had more than your share of sorrow
So darlin' take care of yourself

Oh darlin' don't lie of firin' the wood
When it's burnin' there's no place to go
Yes when I'm out of control it would burn by the forest
Where it's been nothing will grow

Well nobody's loved you as much as I love you
And I'll always be wishin' you well
Honey I know you've had more than your share of sorrow
So darlin' take care of yourself

Yes I know you've had more than your share of sorrow
Oh darlin' take care of yourself
Oh darlin' take care of yourself
