

# Somebody Hold Me Until He Passes By

Wynette Tammy

Somebody hold me until he passes by

There he is  
And just look at the way he's smiling  
Lord, I wish I had somewhere to hide  
I didn't mean for him to see me crying  
Somebody hold me until he passes by

Just look at him  
I've never seen him look better  
But he always did look good in white  
He'll be first in a minute now  
And it's killing me

Somebody hold me until he passes by

I hear the music playing here comes the bride  
I'm losing him forever  
He'll never be mine  
There he is  
I wanna touch him so bad I could die  
Somebody hold me until he passes by

I've come to say goodbye  
But I wish it was me  
Standing by her side  
Somebody hold me until he passes by
