## **Germ Free Adolescents**

X-Ray Spex

I know you're antiseptic Your deodorant smells nice I'd like to get to know you But you're deep frozen like the ice

He's a germ free adolescent Cleanliness is her obsession Cleans her teeth ten times a day Scrub away scrub away scrub away The S.R. way....

You may get to touch her
If your gloves are sterilised
Rinse your mouth with listerine
Blow disinfectant in her eyes

Her phobia is infection She needs one to survive It's her built-in protection Without fear she'd give up and die
