Hi Chaperone

You know, you know, you know you know I can't go out alone Hi chaperone, my chaperone

What you think is all wrong 'Cos you shouldn't treat a girl like a game of ping-pong But I can't go out alone without a chaperone Hi chaperone, my chaperone

You may say sweet dreams tonight Blow me a kiss, well I guess that's alright, that's alright I can't go out alone without a chaperone Hi chaperone, my chaperone You may say the streets are safe In these modern days, but I'm not OK I can't go out alone without a chaperone Hi chaperone, my chaperone I can't go out alone without a chaperone Hi chaperone, my chaperone Hi chaperone, my chaperone Hi chaperone, my chaperone Hi chaperone!

Hi chaperone! Hi chaperone! (repeat)
