Warrior in Woolworths

X-Ray Spex

Warrior in woolworths
Humble he may seem
Behind his serville innocence
He plots and he schemes

He's the rebel on the underground She's the rebel of the modern town He's the rebel on the underground She's the rebel of the modern town

Warrior in woolworths His roots are in today Doesn't know no history He threw the past away

Warrior in woolworths
Dips on friday nights
Youths meet at stockwell tube
Weapons rule their lives
