Keep My Secret Well

Keep my secret well Like my eyes keep their tears It's raindrops on my face A thunderstorm has led me here

Keep my secret well Like my lungs keep on breathing Until I close my eyes The last time it's beneath me

For the case all is past and gone I'll keep my smile and carry on Don't ask for more Don't ask for more

Keep my secret well See how deep I fell Keep my secret well And I won't ask you for more

Keep my secret well Like my veins keep my blood No wounds can be as deep As the love that I had Xandria
