Another Satellite

My heart is taken it's not lost in space And I don't want to see your mooney mooney face I say why on earth do you revolve around me Aren't you aware of the gravity Don't need another satellite

I'm happy standing on my feet of clay I have no wish to swim your milky milky way I say why on earth do you send your letters 'round here Only to gum up the atmosphere Don't need another satellite

So circling we'll orbit another year Two worlds that won't collide So circling we'll orbit another year Moon still tries to steal the tide away

Don't need another satellite Don't need another satellite

Abort your mission let's just say you tried Before you glimpse I have a darker darker side I say why in Heaven's name do you come on these trips Only to freeze in a total eclipse Don't need another satellite So circling we'll orbit another year Two worlds that won't collide So circling we'll orbit another year Moon still tries to steal the tide away Don't need another satellite Don't need another satellite
