

I Don't Wanna Do This Anymore

XXXTentacion

I should've let you know
That you're my only one
I know you're feeling numb
I'll f*ck you 'till you cum

Said, I don't understand
How you don't got a man
You want me in your bed
'Cause I've been in your head

You've been up all night
So you don't want to wait on me
I'm 'bouta catch my flight
So you don't gotta wait on me

No more
You don't wanna (7x)

I've been up a very long time
Wonder why they hate on me
I don't wanna love myself
I'm praying that they all love me

'Cause
You don't wanna (7x)

I should've let you know
That you're my only one
I know you're feeling numb
I'll f*ck you 'till you cum

Said, I don't understand
How you don't got a man
You want me in your bed
'Cause I've been in your head

No, no, no (6x)
