XXXTentacion

Leave me alone, I wanna go home  
It's all in my head, I won't be upset if  
Leave me alone, I wanna go home  
It's all in my head, I won't be upset if  
Heartbroken, misspoken, breaking anything I touch  
I'm not in love, I won't let you control what I want  
Hate me, won't break me, I'm killing everyone I love  
Hate me, won't break me, I'm killing everyone I love

Hey you, hey you, you, what, hey you  
Hey you, you, no, you, you, you

Hate me, won't break me, I'm killing everyone I love
