

## Pain = BESTFRIEND

XXXTentacion

Lost in regret, I  
Feel so deeply, I can't seem to, find a means of ground  
Lost in regret, I  
Feel so deeply, I can't seem to, find a means of ground  
Hear, regret  
Say the words

Don't cry, don't cry, it won't end  
Pain will always be my friend  
Don't cry, don't cry  
Pain will always be my friend
