

# Trapped

Yael Naim

some day, I could still be saved  
drifting on the waves  
going with the flow  
then one day  
someone's voice will say  
you gotta choose your way  
give it your all

only I'm trapped in my soul  
feeling that I want more  
simply cause I am trying to grow  
only I'm trapped in my soul  
feeling that I wanted it all  
simply cause I am trying to grow  
in my soul and in my love  
in my soul and in my love

then one day  
when I had it all  
when I got so tall  
I was feeling so alone  
seeing my life in grey  
throw it all away  
try to break the wall  
let yourself fall

only I'm trapped in my soul  
feeling that I'm down on the floor  
simply cause I am going to blow  
only I'm trapped in my soul  
knowing that I'm responsible  
simply cause I'm trying to grow  
in my soul and in my love  
in my soul and in my love

in my soul and in my love  
in my soul and in my love

feeling I'm trapped in my soul
