

# Border

## Years & Years

Studying your moves, I wanna play  
It's all so easy when you're the one who loves the pain  
Do I remember what I was taught?  
Am I gonna catch you?  
Is it bright enough to see all we are?  
I'll bring you another rush [x3]

Oh, oh, oh, who we are and what we do  
Oh, oh, oh, makes me want it, makes me move  
Oh, oh, oh, could I be the warrior?  
Oh, oh, oh, do you feel it, does it hurt?

I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright  
I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright

She'll fool your heart, tell me whose to blame?  
Are you feeling guilty?  
Cause every corner is filled with shame  
Do you require me?  
To let you know you made it through  
And it's getting lighter  
You won't get lost, you'll never lose

Oh, oh, oh, who we are and what we do  
Oh, oh, oh, makes me want it, makes me move  
Oh, oh, oh, could I be the warrior?  
Oh, oh, oh, do you feel it, does it hurt?

I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright  
I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright

I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright  
I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright  
I'm going to the border  
My body will be stronger  
My heart, it will start to shine  
And I will be alright
