Shine

Years & Years

I remember us alone
Waiting for the light to go
Don't you feel that hunger
I've got so many secrets to show
When I saw you on that stage
I shivered with the look you gave
Don't you feel that rhythm
Can you show me how we can escape

Oooh, oooh
I was biting my tongue
I was trying to hide
Oooh, oooh
I'll forget what I've done
I will be redefined

This shaking sky
And the following lightning
I'll recover if you keep me alive
Don't leave me behind
Can you see me, I'm shining
And it's you that I've been waiting to find
Owning it all tonight
I'm folding it all tonight
You know that you made it shine
It's you that I've been waiting to find
Owning it all tonight
I'm folding it all tonight
You know that you made it shine
It's you that I've been waiting to find

And now that we can hear that sound
And now that you can hold me down
You can pull me under
You can raze everything to the ground
Everything I can arrange
And every part of me you change
Just hold me together
Tell me you'll always want me to stay

Oooh, oooh
I was biting my tongue
I was trying to hide
Oooh, oooh
I'll forget what I've done
I will be redefined

This shaking sky
And the following lightning
I'll recover if you keep me alive
Don't leave me behind
Can you see me, I'm shining
And it's you that I've been waiting to find

I wanna be the one you steal
I wanna be the one you shield
I wanna be the one that your love

That your love can heal
I wanna be the one you steal
I wanna be the one you shield
I wanna be the one that your love
That your love

This shaking sky
And the following lightning
I'll recover if you keep me alive
Don't leave me behind
Can you see me, I'm shining
And it's you that I've been waiting to find
(Owning it all tonight) Tonight
(I'm folding it all tonight) Tonight
(You know that you made it shine)
It's you that I've been waiting to find
(Owning it all tonight) Tonight
(I'm folding it all tonight) Tonight
(You know that you made it shine)
It's you that I've been waiting to find
It's you that I've been waiting to find
It's you that I've been waiting to find
