

# The Whale

Years & Years

If you want, I will love you.  
I'll open my cupboard and show you my jumpers & posters and you  
'll say;  
Don't be afraid, I've been here before.  
I'm made of ivory, I'm a cannibal.  
What have you done? You're not a weapon, are you?  
What have you done? You're not a weapon, are you?

I last forever & I have plenty time,  
Make marks, I do not panic.  
Don't be afraid, I've been here before.  
I'm made of Ivory, I eat cannibals.  
I'll tie you up, I'll sail on by, I will.  
Oh, I'll tie you up, I'll sail on by, I will.

Oh, the whale is not my friend tonight,  
I've never been alone.  
Oh, the whale is not my friend tonight,  
It's just a bag of bones.  
Oh, the whale is not my friend tonight.
