

# Koladi-ola

Yello

Koladi-ola  
Koladi-ola

I'm gonna making  
You wanna shake me  
People sitting out of my mind  
Koladi-ola

I'm going down  
Everything's around  
Everything is good and divine

I go bananas  
Driving in my car  
Trying not to lose my ways

Koladi-ola  
Again

Koladi-ola  
One more time  
Koladi-ola  
One more time

I'm going down  
Everything's around  
Everything is good and divine  
And I said  
Again

I go bananas  
Driving in my car  
Trying not to lose my way

Koladi-ola  
Again  
Koladi-ola

I'm gonna making  
You wanna shake me  
People sitting out of my mind

I'm going down  
Everything's around  
Everything is good and divine

Koladi-ola
