

## Nervous

Yello

My mind is really shaking  
'Cause I know you're gonna make me  
'Cause I know you're gonna break me  
Gonna break my heart

I'm nervous when I hear your voice  
I know I haven't got a choice  
I'm feeling like a silly voice  
I'm n-n-n-n-nervous  
N-n-n-n-nervous

N-n-n-n-nervous

Why can't you rise up?  
Why soul planet needs your fire?

Why can't you rise up?  
Virux, soul planet needs your fire

I'm n-n-n-n-nervous

My mind is really shaking  
'Cause I know you're gonna make me  
'Cause I know you're gonna break me  
Gonna break my heart

I'm nervous when I hear your voice  
I know I haven't got a choice  
I'm feeling like a silly voice  
I'm n-n-n-n-nervous  
N-n-n-n-nervous

N-n-n-n-nervous

N-n-n-n-nervous
