Pinball Cha Cha

Welcome in Lucy's Bar Hey, you gentlemen over there Come on closer, see me play The sensational game

It's the only thing, I've got in my life And I play it every day And, well, believe it or not It's just pinball and for me It's Claro que si, Claro que si

Come, come close to me I tell you man, you will see I'm like happy tree Come close and then you will see

Every ball for me's another game For you this always looks the same Every ball for me's another game For you this always looks the same

Hey you, man, you watch me Might be right, I am a fool But man, why don't you tell me If you know a better tool

All the gates are lit This is very good for me It's like a kiss Watch out man and you will see

Now all lights are on Believe me man, that I have won I know for you this doesn't look a lot For me this is the only thing I got

I really couldn't care less If you take me a for a fool I know you couldn't show me Any better tool

Oy oy oy, I like my toy Claro que si is yes for sure Oy oy oy, I like my toy A knack inside, I win another game I press the button and it's not the same
