

# Shake And Shiver

Yello

You gonna give me power  
You gonna give me five  
You gonna give me you love  
Into the overdrive

You gonna give me power  
You gonna give me five  
You gonna give me you love  
Into the overdrive

You gonna give me power  
You gonna give me five  
You gonna give me you love  
Into the overdrive

I'm gonna lose my mind  
Spinning around  
You're gonna give me your love  
I'm on shakey ground

I'm gonna lose my mind  
Spinning around  
You're gonna give me your love  
I'm on shakey ground

I'm a suitable case for treatment  
I'm a suitable case for treatment
