

## Tied Up In Red

Yello

Bombo-yo, ko ko ko bombo ya  
Bombo-yo, ko ko ko bombo ya  
Bombo-yo, ko ko ko bombo ya  
Bombo-yo, ko ko ko bombo ya

Got awaaaaaaaaaay  
Got awaaaaaaaaaay  
Got awaaaaaaaaaay (de-le-maaaaaa)  
(bal-du-ah)

Got awaaaaaaaaaay

Gulemo Dilemma

Kick the gong, beef up the beat  
Back to hell into the city heat  
Hit the bell, roll down the street  
Tie me up to the Babaumba Beat  
Take the beat, take the fight  
Take me back into the ring tonight

It's the African Queen, we got the summer night grand  
It's the African Queen, the hottest lady in town  
It's the African Queen, who keeps me on my feet  
It's the African Queen, the Babaumba Beat

All you need is love  
Take my heart and hold me tight forever, forever

Bombo-yo, ko ko ko bombo ya  
Bombo-yo, ko ko ko bombo ya

It's the African Queen, we got the summer night grand  
It's the African Queen, the hottest lady in town  
It's the African Queen, who keeps me on my feet  
It's the African Queen, the Babaumba Beat

Tied Up, Tied Up  
Tied Up, Tied Up.....

All you need is love  
Take my heart and hold me tight forever, forever
