

## Five-Cornered Drone (Crispy Duck)

Yo La Tengo

Time waits for reason  
but there's no reason  
Things just go wrong, they always do  
Nothing works out right, though you try and try  
You can search, you can look all around you  
With both eyes open, but it doesn't matter  
It's always the same, it's always like that,  
you try and try and try
