

# Here Comes My Baby

Yo La Tengo

In the midnight moonlight I'll, be walkin a long and lonely mile.

And every time I do, I keep seein this picture of you.

Here comes my baby, here she comes now,  
And it can come as no surprise to me, with another guy.  
Here comes my baby, here she comes now,  
Walking with a love, with a love that's all so fine,  
Never could be mine, no matter how I try.

You never walk alone, and you're forever talkin on the phone.  
I've tried to call you names, but every time it comes out the same.

Here comes my baby, here she comes now,  
And it can come as no surprise to me, with another guy.  
Here comes my baby, here she comes now,  
Walking with a love, with a love that's all so fine,  
Never could be mine, no matter how I try.

I'm still waitin for your heart, cause I'm sure that some day it's gonna start.  
You'll be mine to hold each day, but 'till then, this is all that I can say.

Here comes my baby, here she comes now,  
And it can come as no surprise to me, with another guy.  
Here comes my baby, here she comes now,  
Walking with a love, with a love that's all so fine,  
Never could be mine, no matter how I try.
