

## One In Five

### Youth Brigade

I want to make a difference; I want to see real change  
They talk but it's all hot air - little things get  
rearranged  
Sure I know that they're basically the same  
Careerist playing power games just trying to make a  
name

We only want what's best for you - best for you  
Trust in us and we'll get you through - get you through  
They say they represent you and me  
What kind of majority is 1 in 5?  
1 in 5! 1 in 5! 1 in 5!

I want to make that difference; I want to show I care  
No matter how I try, I've a sinking feeling I'm going  
nowhere  
Call this democracy, it's a lie  
Sure it's nothing new but we let them screw us all the  
time

They keep telling us they know what's best - know  
what's best  
We're too disgusted to give a shit - give a shit  
The only real change must come from us  
Who's represented by 1 in 5?  
1 in 5! 1 in 5! 1 in 5!

I want to make that difference, to really truly care  
What's the point of voting when they give us assholes  
all the time?  
And money controls it all  
As they say the majority is always on their side

They keep telling us they know what's best - know  
what's best  
We're too disgusted to give a shit - give a shit  
The only real change must come from us  
Who's represented by 1 in 5?  
1 in 5! 1 in 5! 1 in 5!

They keep telling us they know what's best - know  
what's best  
We're too disgusted to give a shit - give a shit  
But the only real change must come from us  
Who's represented by 1 in 5!
