

Listen To The Voice Inside

Yves Larock

I love you, I love you, I love you.
I would cross every ocean,
From the mountains high,
I would do anything to be by your side.

For every drop of emotion,
There's a sacrifice.
Sometimes in your life you must fight,
That's why I had to stop,
And listen to the voice inside.
The one that can help keep love alive,
Every night,
Makes me feel alright.

Everyone on the planet
Has a voice inside
Don't be hostage to ego and foolish pride
'cause if you love someone
come feel the sunshine
Your love is like a dogma

That's why I had to stop
And listen to the voice inside.
The one that can help keep love alive,
Every night,
Makes me feel alright.

Listen to the voice inside...
Stop!
And listen to the voice inside.
The one that can help keep love alive,
Every night,
Makes me feel alright.
